The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**RECOMMENDATIONS REGARDING  
2013/14 GRANT AWARDS FOR CULTURAL SERVICES  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

The County, through the Los Angeles County Arts Commission, provides grants to nonprofit arts organizations in the County to support regional arts organizations and deliver a wide variety of cultural services to County residents. Grants for concerts, theatre productions, exhibitions, in-school and out-of-school arts education programs and core operations enrich the lives of County residents.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Approve the recommendations of the Arts Commission for the Fiscal Year 2013/14 Organizational Grant Program for grants to 194 nonprofit arts organizations at a cost of \$4,318,000.
2. Instruct the Arts Commission Executive Director to prepare, sign and execute these contracts after County Counsel approves as to form.
3. Delegate authority to the Arts Commission to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Arts Commission Executive Director to amend these contracts accordingly.

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

11 July 2, 2013

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is the annual implementation of the Organizational Grant Program (OGP). All organizations apply for two years of consecutive funding and all award amounts are for two years. The number of grantees in 2013/14, 194, represents a 5% increase in the number of grantees from 2011/12 and a 21% increase from 2009/10.

### **Organizational Grant Program I/Small Budget Organizations**

This category provides support for nonprofit arts organizations with budgets under \$100,000 and two years of producing history. Applicants may request grants for projects up to 15% of their annual operating budgets each year, with a minimum request amount of \$2,850/year. OGP I grant funds will be disbursed to 74 nonprofit arts organizations (see BOS Attachments Pg. 1-4) at a cost of \$875,800.

### **Organizational Grant Program II/Mid-Size Budget Organizations**

This category provides support for nonprofit arts organizations with budgets between \$100,000 and \$500,000. Applicants may request grants up to 6% of their annual operating budgets each year with a minimum request of \$10,500/year. OGP II grant funds will be disbursed to 74 nonprofit arts organizations (see BOS Attachments Pg. 5-8) at a cost of \$1,081,500.

### **Organizational Grant Program 2.5/Mid-Size Budget Organizations**

This category provides support for nonprofit arts organizations with budgets between \$500,000 and \$1.5 million. Applicants may request grants up to 4% of their annual operating budgets each year with a minimum request of \$17,500/year. OGP 2.5 grant funds will be disbursed to 29 nonprofit arts organizations (see BOS Attachments Pg. 9-10) at a cost of \$1,071,300.

### **Organizational Grant Program III/Large Budget Organizations**

This category provides support for nonprofit arts organizations with budgets over \$1.5 million, including major Los Angeles County institutions, to ensure accessibility. The focus is on programs that increase access to cultural services for County residents. Applicants may request grants from 0.5% to 2% of their annual operating budgets each year with a minimum request of \$35,000/year. OGP III grant funds will be disbursed to 17 nonprofit arts organizations (see BOS Attachments Pg. 11) at a cost of \$1,289,400.

The Arts Commission utilized discipline peer panels to review and score all applications and to make recommendations to the Arts Commissioners. The Arts Commissioners reviewed these scores and are submitting funding recommendations to your Board for approval.

Grants amounts are awarded utilizing a formula adopted by the Arts Commission. Awards are based upon the organization's budget size, which determines the request allowable under the guidelines. A percent of the request is then awarded based upon the score assigned it by the discipline peer panel and the Arts Commissioners. Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

Upon notification of a forfeited OGP grant award, the Arts Commission will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commissioners.

For the Fiscal Year 2012-13, forfeited funds from two of the 175 organizations awarded grants through the OGP were reallocated to Board-approved grantee organizations. Consistent with prior re-allocations made by the Commission, the grant dollars were reallocated to the top organizations in the same OGP categories which received a score of 94.5 and higher.

Since funding is over two years, organizations that receive grants apply every other year. For your information, attached is a list of grants that were made last fiscal year (BOS Attachments Pg. 12 -15) to provide you with full perspective of all arts and cultural organization that are supported through this program. A total of \$4,118,000 was allocated in Fiscal Year 2012/13 as follows: 68 organizations received funding in the OGP I/Small Budget category; 67 organizations received funding in the OGP II/Mid-Size Budget category; 20 organizations received funding in the OGP 2.5/Mid-Size Budget category; and 20 organizations received funding in the OGP III/Large Budget category.

### **FISCAL IMPACT/FINANCING**

Funds for this program are included in the FY2013-14 adopted budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County. The contractor (grantee) will be governed by the policy and guideline requirements of the Arts Commission. Grantees are defined as nonprofit 501(c)(3) organizations with missions to provide arts services for the benefit of the public.

### **CONTRACTING PROCESS**

The County will pay the contractor (grantee), in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see BOS Attachments Pg. 1-11).

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This program insures that a wide variety of cultural services will continue to reach County residents. In addition, 94, or 48%, of 194 Fiscal Year 2013/14 OGP organizations have applied for funding to pay for salaries or job creation. This will positively impact the residents of Los Angeles County through increased job opportunities.

The Honorable Board of Supervisors
